— THE BEST IN THE WORLD!! —

Highest Premium, Fair American Institute.

Highest Premium, State Fair of California, 1866.

It makes four different stitches,

the lock, knot, double lock, and double knot, on one and the same machine. Each stitch being alike on both sides of the fabric.

Every Machine has the reversible feed motion, which enables the operator, by simply turning a thumb-screw, to have the work run either to the right or left, to stay any part of the seam, or fasten the ends of seams without turning the fabric.

Changing the length of stitch, and from one kind of stitch to another, can readily be done while the Machine is in motion.

The needle is easily adjusted.

Its motions are all positive; there are no springs to get out of order, and its simplicity enables the most inexperienced to operate it.

It does not require finer thread on the under than on the upper side, and will sew across the heaviest seams, or from one to more thicknesses of cloth, without change of needle, tension, or breaking thread.

The only machine having a self-adjusting shuttle tension—the amount of tension always being in exact proportion to the size of the bobbin.

The hemmer is easily adjusted, and will turn any width of hem desired.

It is almost noiseless, and can be used where quiet is necessary.

No OTHER MACHINE will do so great a range of work as the Florence.

PROOFS OF THE SUPERIOR QUALITY

— OF THE —

American Watch

— MADE AT —

Waltham, Mass.

THE AMERICAN Watch Company, of Waltham, Mass., respectfully submit that their Watches are cheaper, more accurate, less complex, more durable, better adapted for general use, and more easily kept in order and repaired than any other watches in the market. They are simpler in structure and therefore stronger, and less likely to be injured than the majority of foreign watches, which are composed of from 125 to 300 pieces, while in an old English watch there are more than 700 parts. How they run under the hardest trials watches can have, is shown by the following letter:

PENN. RAILROAD COMPANY.

GENTLEMEN: The watches manufactured by you have been in use on this railroad for several years by our engineers, to whom we furnish watches as part of our equipment. There are now some three hundred of them carried on our line, and we consider them good and reliable timekeepers. Indeed, I have great satisfaction in saying your watches give us less trouble, and have worn and do wear much longer without repairs than any watches we have ever had in use on this road. As you are aware, we formerly trusted to those of English manufacture, of acknowledged good reputation; but as a class they never kept time as correctly, nor have they done as good service, as yours. In these statements I am sustained by my predecessor, Mr. Lewis, whose experience extended over a series of years.

EDWARD H. WILLIAMS,
General Superintendent.

American Watch Co., Waltham.
We make now five different grades of watches, named respectively as follows:

Appleton, Tracy & Co., Waltham, Mass.

Waltham Watch Company, Waltham, Mass.

P. S. Bartlett, Waltham, Mass.

Wm. Ellery, Boston, Mass.

Home Watch Company, Boston, Mass.

All of these, with the exception of the Home Watch Company, are warranted by the American Watch Company to be of the best material, on the most approved principle, and to possess every requisite for a reliable time keeper. Every dealer selling these watches is provided with the Company's printed card of guarantee, which should accompany each Watch sold, so that buyers may feel sure that they are purchasing the genuine article. There are numerous counterfeits and imitations of our Watches sold throughout the country, and we would caution purchasers to be on their guard against imposition.

Any grades of Waltham Watches may be purchased of Watch Dealers throughout the country. ROBBINS & APPLETON,

COLONEL FORNEY'S

LETTERS FROM EUROPE.

LETTERS FROM EUROPE,

BY JOHN W. FORNEY, ESQ.,

Editor of the "Philadelphia Press" and "Washington Chronicle," and Secretary of the Senate of the United States.

Since the commencement of the publication of Colonel Forney's letters from Europe in the Press, the publishers of that paper have been in receipt of innumerable inquiries from those who wished to know if the correspondence would not appear in book form. In accordance with their requests, we will now state that these letters, carefully revised and re-written, with important additions, are now in press, and will shortly be given to the world, in a large duodecimo volume of 500 pages, by the publication house of T. B. Peterson & Bros., Philadelphia, who are sparing no expense to make it a book which shall combine every feature of typographical excellence characteristic of the best publications of the firm. It will contain an excellent steel portrait of the author, engraved in the finest style of the art, by one of the best artists in the country, and it will be in every respect a work acceptable to the numerous friends of Colonel Forney.

It will be published in one large duodecimo volume of over 500 pages, bound in cloth. Price \$2. Booksellers, news agents, canvassers, and all others, are solicited to order at once what they may want of the above book, so that their orders can be filled from the first edition. Address all cash orders, wholesale and retail, to the Publishers of it.

T. B. PETERSON & BROTHERS,
306 Chestnut st., Philadelphia, Pa.

Copies of the above book will be sent to any one in advance of the day of publication, to any place, post paid, on receipt of retail price.

PIANO FORTES.

OUR last new addition to our different styles, is attracting the admiration of both critics and populace. We mention specially some of the claims of this new Piano. Believing the exterior should be as beautiful to the eye as melody is to the ear, we have paid great attention to getting them up in a style that is conceded by all who have seen them to be the handsomest Piano Forte made. They are an entirely new style, with four full round corners, heavily carved legs and lyre, base richly moulded, and contains our latest improved scale and action. The tone is melodious, and its adaptability to passages of every shade of expression, from the softest murmurs, the Crescendo, and the F. F. gives the performer every advantage of the Concert Grand. Price \$500. 51-4f

For Sudden Coughs, Colds,

Etc., can be cured immediately, as hundreds can testify, by mixing about a teaspoonful of Perry Davis' Vegetable Pain Killer with four teaspoonful of molasses, mixed well together, and taken as your coughing spell comes on. Three teaspoonful of the mixture will answer for a dose. Also rub a little of the Pain Killer on the hands and inhale the scent of it into the lungs. After you have taken the medicine, bathe the throat around the collar bone, also across the upper part of the breast and down the sides, if they have been made sore by coughing, and you will soon get relief if you do not neglect it too long. The sooner this medicine is applied the more speedy the relief. In all cases, if you do not get relief in thirty minutes, take it again and bathe freely, according to directions. 21m

QUINCY, PLUMAS CO., CAL.

SATURDAY, NOV. 30, 1867.

Petaluma has twenty-two drinking saloons.—**Ex.**

Private jugs being excluded from the count, Quincy will have to "pass," as she has but three drinking saloons. La Porte will "see" Petaluma, and "go" two better.

Resigned.—John Ames has resigned his office as Town Clerk. Cause—too much work, and no pay.—**San Mateo Gazette.**

Did any one ever hear of an officer resigning because he received too much pay and no work.

In one ward in Milwaukee there have been expended \$125,000 in street improvements.—**Ex.**

\$25,000 for the improvements and \$100,000 for the contractors, would doubtless be near the truth.

A CHARGE.—Some fifty ladies in Linn, Kansas, have adopted short skirts, which fall about to the knees.—**Ex.**

Rather short, but the streets of that town are probably very muddy, say about knee deep.

The Democrats of the North repudiate treason and rebellion in their party platform. No Democrat who boasts he is a traitor can be honored with an office.—**Appeal.**

What a change, my countrymen! The Appeal admits that a man may be a Democrat and not a traitor. Who'd a thought it.

The devil is in the preachers lately, and no mistake. They are falling from grace fast and thick as ever ripe cherries from the tree. Their weak spot seems to be women.—**S. F. Police Gazette.**

When cherries fall from a tree they generally drop on the ground. When preachers fall from grace, "where do they drop?" Can the Gazette tell us?

In the language of the golden rule, slightly altered to suit the occasion, the Democratic party will "do as they were done by."—**Examiner.**

Then every office holding radical in this State who holds his position by appointment from the State officers, will receive his "walking papers."

On Dr. Tor.—A nigger correspondent of Harper's Weekly, "a journal of civilization," in writing from New Orleans, says:

"In a few years it will not be a question whether there will be schools for colored children, but it will be whether white children will be admitted to our institutions of learning. The bottom rail is on top, and Yankees, as well as all the minority, must take a back seat."

Schools.—Zack. Montgomery, in referring to the Public School system in this State, says:

"While there could not be a more unpopular measure than the change in our school system which we are *falsely accused* of advocating, there could not be a more popular one, when understood, than the change which we do advocate."

Srort Tr.—We do earnestly hope that Union men, in and around the City Hall and elsewhere, holding official position, will stop their whining about being turned out of office by the victorious Democracy. To the "victors belong the spoils," is Republican as well as Democratic doctrine; and the idea of feeling so bad over its application betrays a weakness not at all creditable. If the Democrats had been in and the Republicans won, every Democrat in position would have been ousted.—**S. F. Spirit of the Times.**

Let them "whine," Mr. Times. Don't you know that boys never see any fun in tying a tin kettle to a dog's tail unless the dog runs and yells, and yells and runs? Let them "whine." It's sweet music to the ears of the "victorious Democracy."

FORNEY.—The "Dead duck" is anxious to secure the nomination for Vice President on the Republican ticket, with Grant, whom he wants nominated for President. An exchange, in referring to the illustrious manufacturer of evidence for divorce cases, says: "It will not be long before the Senate will kick him out of the Clerkship he holds in its service, and then he will be reduced to live in disgrace on the handsome fortune he has managed to lay up by such means as would make a footpad blush for his integrity."

Know ye the party where cant and hypocrisy has reached a degree that is almost sublime. Where the love of the negro and hate of Democracy is preached from the pulpit and preached all the time?—**Ex.**

Oh, yes! 'tis the party of the Radical Dump. That has reached a degree the people won't stand. But Rad and the negro shortly will dump. Where such preachers with Satan will very soon land!

DEMOCRATS.—As a Gazette of Fashion, Demorest's Monthly Magazine is unrivalled. In typographical appearance it is a beauty. It costs but \$3 per year.

COUNTY PRINTING.—The County Printing for the ensuing year, was last week awarded by the Board of Supervisors to the *Register*, the proprietor's bid being the lowest offered. The bid from the two other offices were almost identical, but on some items the *Register's* bid was a trifle the highest. Both bids were so low as to afford little or no profit. Advertising at ten cents per square will hardly pay for type-setting.—**Napa Register.**

Ten cents per square for publishing official advertisements in Napa county, and *Three Dollars* per square for doing the same work in Plumas. In Napa, as in Plumas, the Board of Supervisors is Radical in politics, but in Napa the Supervisors act as sworn officers for the benefit of the people, while in Plumas a majority of the Board are only desirous of acting for the benefit of the *Party* to which they belong, and having the power, they are determined that the Democratic tax-payers of the county shall assist them in keeping their organ alive. If two of the Supervisors had a few dollars more of taxes to pay, it might make some difference with them; who knows?

U. S. SENATOR.—The question, "who will be the next U. S. Senator from this State," seems to be worrying the Radical press "muchly," and of late some of the Democratic journals are getting a little anxious, and are even quarreling over it. This should not be. The members of the Legislature are competent to judge of the merits of the different candidates, and will doubtless select whoever they choose. We are willing to abide by their decision—still, if Haymond should enter the list and prove to be the successful candidate, it would suit us.

Nor Us.—As a much abused member of the last Assembly used to say, "Sir, we arise to a question of privilege." In the Democratic Press of the 18th, under the heading of "Style of Dress," the *QUINCY UNION* is credited with a short paragraph, which we are unwilling to father. MaJott made one grand mistake, or else, with malice aforethought, he has credited us with an article written by some wig-wearing old bach. of an editor. Look over your files, and then, by giving the name of the guilty one, exonerate an innocent party.

SILENT.—The latest dispatches do not make any mention of the report of the impeachment committee which was to have been submitted to Congress on Monday last. It is reported that a majority of the committee are known to be in favor of impeaching the President. The Radical leaders have been threatening and howling "impeachment" for the last eighteen months, but when the opportunity is given them to carry their threats into execution, they commence to cawfish. The present Congress dare not impeach and attempt to remove Andrew Johnson, who by the grace of God, is the President of the United States.

ANOTHER.—The S. F. Spirit of the Times has started in on another crusade. This time the California Building, Loan & Savings Bank is the foe whom it wages war against. It is almost needless to say that Thos. Mooney is President of the Bank, and that it is also a large shareholder in the Builders Insurance Co. Mooney seems to enjoy the notoriety he is gaining by the attacks upon him.

THE LAND WE LOVE.—One of the hand-somest as well as the most interesting magazines received at this office is "The Land We Love," published at Charlotte, N. C., and edited by Gen. D. H. Hill, late of the Confederate army. All the articles contained in the Magazine, are written by citizens of the States South of "Mason & Dixon's" line.—The subscription price is \$3 per year. Address Hill & Irwin, Charlotte, N. C.

IN HOC SIGNO.—Hang the banner upon the outer wall, and let the following words be emblazoned upon it: "The great laboring white masses of the North will never permit seventy nigger Representatives to enter the Halls of Congress to legislate for them."

PHRENOLOGICAL JOURNAL.—No magazine published in New York, contains more interesting, and at the same time sensible reading matter, than the Phrenological Journal. It is an illustrated magazine, published monthly, at \$3 per year. The November number contains a portrait and biographical sketch of J. P. Beckwith, who was well known to a large number of our citizens. In describing his character, the Journal says: "We see nothing of art, refinement, or delicacy of taste in this countenance, but rather a love for the rugged, the rough and the massive. His cathedral would be in the mountain's top, his art-gallery in the glens and the water-falls, and his study the native denizens of the forest and the plain."

After stating that Beckwith had his many faults, the Journal adds: "Now that he is dead, let us spread the mantle of charity over his faults, and remember him only as one who marched in the vanguard of the great army which moves ever toward the setting sun; one of that heroic and devoted band of pioneers who blazed the pathway to the giant West, whose exhaustless wealth and unexampled prosperity we now enjoy."

The portrait given of "Jim," is a perfect picture—so every one says that was acquainted with him.

SHERIDAN kissed a little girl at West Brookfield, Mass., and remarked that "That's the size to do it; the other size won't."—**Ex.**

Right then and there, some gentleman in the assembly should have sent the "black-guard" to "the grass," by a "stunning blow" on his "kisser."

DURING the war, and when the questions of union and disunion were at issue, the Union classification was appropriate. But now there are two political parties—one Republican and the other Democratic or Copperhead.—**Appeal.**

Oh, ho! How long since you came to that conclusion? The recent elections have forced you to see things in a different light, haven't they? The questions now before the people are merely "political." Just so. We are glad to hear that you have found that out, at last.

A NEW ERA IN LITERATURE.

MR. FRANK LESLIE, one of the United States Commissioners to the Universal Exposition in Paris has availed himself of a visit abroad to introduce some new and very interesting features in his popular publications. He has arranged with a number of the leading authors and artists of Europe to furnish Novels, Narratives and Engravings, which will appear originally in his publications, instead of at second hand, or through the state expedients which are called Advance Sheets. Thus practically settling the copyright question by purchasing his literary material at first-hand. This is a bold move, and will prove to be a remunerative one. "Honesty is the best policy." The first of these novelties is

Adventures Among the Brigands,
BY PIERCE EGAN, ESQ.,
a narrative of adventure in Italy, by that popular novelist and fascinating writer, which will commence in No. 129 of FRANK LESLIE'S CHIMNEY CORNER.

With No. 129 will also be given away a Magnificent Original Engraving.

LOCAL ITEMS.

PURCHASE.—Mr. Saunders of Indian Valley, has purchased the ranch formerly owned by Esq. Stark, in Honey Lake, and has gone there to reside.

STATE COUNCIL.—At the late session of the Convention of the Penian Brotherhood of this State, Mr. P. J. O'Grady, of La Porte, was elected as a member of the State Council.

AT WORK.—Conly & Gowell, Gard & Orr and McClelland & Co., are all at work piping in the claims near La Porte. They have a good supply of water, and are running day and night.

RETURNED.—Mr. Sam. Hughes, formerly of this county, but of late a sojourner in Idaho, returned from that country a short time since, and has taken up his residence in Cherokee, near Round Valley.

A PROVISION.—One of the provisions of the National Bankrupt Law is that no person who has lost any of his property by gambling within four months of his application, can receive the benefits of the bankrupt law.

COARSE GOLD.—We learn that McKay, Bell & Co., on Mill Creek, near American Valley, have struck coarse gold in their claims. A few days since they found several slugs, one of which weighed about 560.

BETTERED.—Ellis thinks he has struck an extension of the old Gold claims at Elizabethtown. He has been at work there for some time, and has struck an excellent prospect—good for \$6 per day.

DANCE.—The Ball at the Plumas House on Thanksgiving night, though not as largely attended as we had expected, was nevertheless, a pleasant affair. The supper was most excellent one. The dancing was kept up until about 4 o'clock, A. M.

INSOLVENT.—N. B. Forgy has filed his petition in the County Court, praying to be discharged from all his debts and liabilities. "Burt" was worth several thousand dollars a couple of years since but a partner of his played him false, hence the above application.

DROWNED.—On Sunday last, Dan Hatter, while attempting to cross the foot bridge over the North Fork of Feather River, near Junction Bar, fell from the bridge and was drowned. The deceased had resided on the East Branch for over 15 years. He was about 45 years of age.

CAL. VOLUNTEERS.—All California and Nevada Volunteers, Twenty-first New York and First Michigan Cavalry, discharged in Arizona, New Mexico, Utah and Colorado, and who did not wish to be mustered out where their regiments were disbanded, are, by recent act of Congress entitled to an additional travel pay of \$250.

STUCK IN.—The owners of the Mohawk Quartz Ledge, near the Sulphur Spring Ranch, who have been at work running a tunnel for some time past, struck the ledge a short time since and found excellent quartz and a well defined ledge. They will commence crushing again in a few days.

IN POSSESSION.—By an order issued by the Hon. District Judge, the Lebanon quartz mill in Genesee, which has caused so much trouble between A. Light and E. Light, and which trouble promises to continue, has been placed in the possession, and under the control of E. Light again.

NARROW ESCAPE.—On Monday last, Mr. Joe Kelly, one of the owners of the Hungarian Hill claims, near American Valley, was at work running the water over the banks of the claims to soften it. He was standing near the edge of the bank, which was about 60 feet high, when suddenly the portion on which he was standing caved and slid in, carrying "Joe" with it. He was completely covered with dirt and water, but managed to crawl out and regain the solid ground, escaping without a scar or bruise. It was a lucky escape.

INCENDIARY FIRES.—We have received a communication giving the particulars of the recent incendiary fires near La Porte, a notice of which was published last week. On the night of the 18th, about thirty cords of pitch wood owned by Gard & Orr, which was piled up in their claims, was set on fire and burned. On the 20th, the cabin owned by W. McClelland, was set on fire and burned. The house had been occupied until a few days before. At the time it was filled with a large lot of mining tools. No clue had been obtained of the rascals who set the fire.

LOSSER.—A couple of weeks since, Jas. Conant left Susanville with a load of freight for the Humboldt mines. The load proved to be too heavy for the team, owing to the bad condition of the roads, and Conant unloaded a portion of the load, and went on with the balance. When he came back after it he found to his dismay that the Indians had anticipated his return, and had broken open the boxes and packed off every pound of freight that had been left, save and except the empty boxes. We did not learn what the loss was, but it probably amounted to several hundred dollars.

MOUNTAIN.—About twenty claims have been located in the new mining district in Mohawk Valley. Eleven cabins have been built and the miners are making preparations for the coming water season. Messrs. Jack on & Co., have just completed a ditch to carry water upon their claims which will enable them to work in the summer as well as winter. A short time since, Babb & Co. in one day took out \$65. They found one piece which weighed \$20. According to the laws of the District, each claim owner is allowed 300 feet. Claims have been located nearly to the summit of the mountain.

SNOW SHOE CHALLENGE.—Francis Lynn, of Nortonville, Contra Costa county, challenges any party on the Pacific coast, in the sum of from \$3,000 to \$5,000, to run a race of from half to three-quarters of a mile, in either Plumas or Sierra counties. Time of race to be agreed upon at the time of meeting. A forfeit of \$500 to be put up by both parties. For further particulars apply to Francis Lynn, at the International Hotel, San Francisco, or at the corner of Seventh and Broadway, Oakland; or, by letter, to Nortonville, Contra Costa county. Lynn is an Irishman by birth, and an adopted citizen of the United States; has resided in this country nine years, and is well known in Plumas and Sierra counties. He refers to H. C. Bidwell of Greenville, Plumas Co. So says the Alta.

BLACK ROCK.—Notwithstanding Lebeck's recent failure, the Sage Brush is still confident that Black Rock is a rich country, (so are we) and for proof it states that "Dall & Co. are offering one hundred dollars per ton for the ore delivered at their mill in Washoe. They will take a hundred thousand tons, if it can be procured, of a certain class of its ores, or such ores as Lebeck will recommend to be the richest. The inducement to freighters is a good one. The ore will cost them less than fifty dollars per ton and the distance over a route that can be traveled nearly all seasons of the year, will not exceed one hundred and fifty miles.

PAPERS.—To the enterprising and liberal news agent, whose name appears in the accompanying monogram, we are again indebted for a huge bundle of Pictorials, papers, &c., &c. Now is the time to subscribe for periodicals, and it is almost useless for us to state, for everybody knows it, that J. Stratman, 506 Washington st., San Francisco, will receive subscriptions for all the leading magazines and newspapers published in the world, at office rates.

TAXES.—The total amount of State and County taxes assessed in this county for the year, was about \$27,000. The Tax-Collector has collected about \$23,000 which leaves a delinquent list of only \$4,000. It is the smallest delinquent list which has been returned by the Tax-Collector for several years. At the settlement on Monday next, the Collector will pay into the County Treasury about \$18,000. A pretty good settlement for one month's collections.

GOING TO SACRAMENTO.—Hon. J. D. Goodwin and Capt. N. C. Cunningham have gone to the Capital City, and will be present at the meeting of the Legislature on Monday next. It is rumored that Capt. will be a candidate for an important position in the Assembly. C. E. Barnes and L. D. C. Gray, both of La Porte, are candidates for the same position, viz: Minute Clerk of the Senate.

SILVER.—The new mill of Keating & Co. in the North Arm of Indian Valley, is being built more for the purpose of working silver bearing rock than gold. The ledge contains considerable gold bearing quartz also.

ON THEIR WAY.—The Appeal of Wednesday says that "Senator Conly and Assemblyman Buckbee of Plumas, arrived from the North by last evening's train, and will go down to the Capital to day."

PARSONAGE.—The dwelling house of T. A. VanNorden, in this town, has been purchased for a Parsonage, and will be occupied by Rev. T. H. McGrath.

PREPARING.—Garland is having a couple of sleighs built to run over that portion of his stage route between Bucks and Buckeye during the coming winter.

For Sudden Coughs, Colds, Etc., can be cured immediately, as hundreds can testify, by mixing about one teaspoonful of Perry Davis' Vegetable Pain Killer with four teaspoonfuls of molasses, mixed well together, and taken as your coughing spell comes on. Three teaspoonfuls of the mixture will answer for a dose. Also rub a little of the Pain Killer on the hands and inhale the scent of it into the lungs. After you have taken the medicine, bathe the throat around the collar bone, also across the upper part of the breast and down the sides, if they have been made sore by coughing, and you will soon get relief if you do not neglect it too long. The sooner this medicine is applied the more speedy the relief. In all cases, if you do not get relief in thirty minutes, take it again and bathe freely, according to directions. 2-1m

THE People of the State of California send Greeting to LISETTE EBERLE, Def't:
YOU ARE HEREBY REQUIRED TO APPEAR in an action brought against you by the above named Plaintiff, in the District Court of the Second Judicial District of the State of California, in and for the County of Plumas, and to answer the Complaint filed therein (a copy of which accompanies this summons) within ten days (exclusive of the day of service) after the service on you of this Summons;—if served within this county; or, if served out of this county but within this Judicial District, within twenty days; or, if served out of said District, then within forty days—Judgment by default will be taken against you, according to the prayer of said Complaint.

The said action is brought to obtain a decree of divorce from this Court, dissolving the matrimonial tie that united you and this Plaintiff, and release him from all mutual obligations to you forever. And you are hereby notified, that if you fail to appear and answer said Complaint as above required, the said Plaintiff will take default against you and apply to the Court for the relief prayed for in said Complaint, to-wit: A decree of divorce and such other relief as the Court may think proper.

Given under my hand and the seal of the District Court of the 2d Judicial District of the State of California, in and for the county of Plumas, this 23rd day of October, in the year of our Lord One Thousand Eight Hundred and Sixty-seven.
JOHN B. OVERTON, Clerk.
